Blood Bank

What Is It? Why Support It?

Answers Conclusive;
Do Your Part Today

BY BOB BAKER

What is the aim of the San Mateo County Blood Bank? How can we benefit by it?

With the treacherous attack on Pearl Harbor, which is now history in the present war, came the story of a San Francisco youth, Albert James Heick, 19, son of Mrs. Marie Heick and a fireman, second class, in Uncle Sam's navy. Young Heick was among those who were burned beyond recognition after the bombing, and he was transported to a naval hospital near San Francisco.

The case was about as hopeless as any case in the hospital, and Mrs. Heick had almost given up in despair at seeing her son alive and well as when she last saw him. Today, thanks to the superb care of the hospital staff and that marvel of modern medical discoveries, "blood plasma," young Heick is living, and is now convalescing rapidly in the hospital. He looks forward to a day soon when he will be able to go home.

Lieutenant-Commander Walsh, who is in charge of blood transfusions in the naval hospital, gave full credit to the transfusion of the blood for saving Heick's life. One place on the badly seared body, the ankle, was found to be the only place that the transfusion could be administered. A total of 22 pints of blood, made from stored blood plasma, was transfused into the boy's system. Very little scar tissue remains from the burns.

"The first three or four days I thought they were going to pack me out," young Heick told a Red Cross official, "but they started shooting that blood plasma into me, and the doc says that's what pulled me through."

By the same token, San Mateo county will protect the lives of the civilian population in Daly City and all communities in the county with the establishment of

Lions' Minstrel Draws Huge Crowd

Laugh-Packed Show
Features Darky Songs

A capacity crowd of over 150 people filled the Old Colonial Inn, last night, and joined in the fun when Daly City-Colma Lions romped through a laugh-packed minstrel show, cutting darky capers and singing darky songs.

It was ladies night for the Lions' wives and girl friends, and the minstrel show was a special attraction of the evening. Another feature of the evening's entertainment was the presentation of an emblem ring of the Lions to President Dale Hovey, who is resigning his office at the head of the local chapter in preparation to taking a government job.

Opening the program for the evening, the audience joined with the cast in a community song, "The Star Spangled Banner."

When the minstrel proper commenced, the audience saw a preview by a dead-pan that could compete with Joe Louis or Ned Sparks, that of Pieface (Dr. Bill Lantheaume).

Master of ceremonies for the evening's program was R. L. Crane jr., secretary of the local Lion's chapter.

Baiting the darkies for their jokes and laugh lines in the role of interlocutor for the minstrel was Dr. J. C. McGovern. Offering the music for all the members was Mrs. Robert Fessenden, pianist.

A nine-darky chorus featured the singing of Negro songs in last night's program. The first song they rendered in the true harmony of the southland was "Old Black Joe." Later on in the program the chorus sang "Oh, Susannah."

Library Has Many Civilian Defense Books

Want to know more about civilian defense? Your library at 6315 Mission street has a large supply of Civilian Defense pamphlets, now ready to issue on a 7-day basis.

Mrs. Jean O'Rourke announced, this week, that the following titles were included: "Handbook for Air Raid Wardens," "Protection Against Gas," "Civilian Defense Volunteer Office," "Blackouts," "Training Courses for Civilian Defense," "Control System in Civilian Defense," "Citizens Defense Corps," "Training Auxiliary Firemen," "Handbook for Messengers," "Handbook for Road Repair Crews," "Handbook for Fire Watchers," "Staff Manual," "Fire Protection in Civilian Defense," "Civil Air Patrol."

The San Mateo County Civilian Defense council urges all wardens, auxiliary firemen, auxiliary policemen, rescue squads, fire watchers, officials, and the general public to avail themselves of this informational reading matter.

The Daly City library is currently displaying the various booklets, all of which are attractively prepared and printed.

That Firemen's Ball To Be Fun For All

Assurance of a big time for everybody is given this week by the Daly City Fire department as the firemen and veteran firemen prepare for the eighth annual benefit dance, the Big Victory Costume Dance, at Colombo hall, Saturday evening, May 9.

Proceeds of the dance go to the Widows' and Orphans' association each year, and this year the surplus of receipts will be used for the purchase of government defense bonds, according to Fire Chief A. P. Chesney who is chairman of the general committee.

Costumes for the affair are the oldest clothes you have, according to the general committee.

Working under this committee are twelve sub-committees. Following are the chairmen of the committees: Walter Davis, floor committee; F. Hanson, door committee; T. J. Wickersham, hat room committee; Police Chief James G. Reardon, law and order; A. Silicani, reception committee; Chief Chesney, hall committee; E. Goldkuhl jr., ticket committee; A. Sundstrom, refreshment committee; W. Davis, music committee; Gus Ford, slide committee; Ed Goldkuhl sr., amusement committee; and Arthur J. Bodien, program committee.

Music for the dance will be furnished by Johnny Dell's union orchestra.

COUNCIL

Crane Addresses Group On Poison Gas Danger

To educate the public against poison gases as a potential weapon of destruction in this area, R. L. Crane jr., first aid chief of the local Civilian Defense Council, addressed a group of forty civilian defense workers and first aiders of Garden Village and Daly City at the Jefferson Administration building, Thursday evening.

An authorized instructor of chemical warfare, Crane pointed out the different types of war gases and their use in war strategy. He described first aid treatment against the poison gases prescribed by the Army Chemical Warfare Service at a recent ten day course at Stanford university which Crane attended.

Detailed explanation of the first aid treatment for injured, those who come into direct contact with the deadly gases, was given by Crane to the group.

In furthering the organization of gas de-contamination squads as a part of the defense councils of both communities, Crane expressed the need for additional instruction in this particular phase of civilian defense.

Adopts Resolution Of Abandonment

Portions Of Two
Streets Are Affected

Adoption of a resolution authorizing the abandonment of portions of two streets in Daly City occupied the center of business at the regular meeting of the city council, Monday night, at the city hall.

City Attorney Rudolph A. Rapsy read the resolution, which authorized the closing of a portion of East Moltke street and a portion of Bismark street.

The city council heard two applications for permits to operate taxicab companies in the city in addition to the one, the Daly City Cab company, which is already in operation. Considerable discussion ensued concerning the taxicab situation in Daly City and its effects with the general transportation problem in the Bay area since tire rationing began. However, the council declined to forward any action on the two permits, and moved to lay the matters over until the local taxicab and transportation set-up could be surveyed.

Fred Collins, city health officer, made a report to the council on a local building which was subject to condemnation proceedings and turned over to the health officer. Collins stated that the owner of the building had been interviewed and had been warned of the health violations. Since that time, Collins said, the corrections in the health specifications of the house had been corrected.

Replying to Councilman Edmund Cavagnaro's request for a report on the firehouse construction work, P. J. Kelly, city building inspector, announced that the two new firehouses in Daly City would be completed in approximately two weeks. The firehouse at the corner of Roosevelt and Peoria streets is awaiting installation of plumbing fixtures only, while the firehouse at Santa Barbara and Parkview avenues will be finished after the completion of cement work.

Personnel Changes In Recreation Dept.

Mrs. Burton Names
Two New Leaders

Three changes have been made in the personnel of the Daly City WPA Recreation department, it was announced, Monday, by Mrs. Marie Burton, local director.

Louis "Curly" Stadelman, former leader of Recreation athletics at the Jefferson gymnasium and Marchbank field, resigned his duties to attend a government defense school in San Francisco. Stadelman was replaced by Mrs. Marie Bell, a former leader in the local WPA Recreation department. Mrs. Bell, who, two years ago held classes in rhythmic gymnastics in the local department, will have charge of basketball, badminton, and other athletics which are sponsored by the Recreation department.

In resuming her duties as a recreation leader, Mrs. Bell expressed the possibility of beginning another class in rhythmic gymnastics. (Continued on Page 5)

Norry Organizes Local Outball Team

Daly City baseball enthusiasts will have an opportunity of participating in a new sports program at Marchbank field, Sunday at 11 a. m., when the Daly City Outball team will be organized.

Charles Norry, San Francisco, a former resident of Daly City, is managing the team which is sponsored by the Farallone Packers. Norry is especially interested in Daly City boys trying out for the team since they will play under the name of Daly City. Tryouts will be held, Sunday.

Games will be played every Sunday at Marchbank field starting at 11 a. m.

THEIR HATS ARE IN THE RING

Seven of the eight candidates who are seeking offices on Daly City's Board of Councilmen in the municipal election, Tuesday, April 14, are pictured above. Three offices on the council are open.

Shown here are the following candidates, top row, left to right: A. J. Gaggero, Eugene V. Lynch, Joseph Millett jr., Remi Sanders, Paul G. Selmi, and Hugh Smith jr. In the second row is Julius Twisten. The eighth candidate, whose picture does not appear above, is C. J. Pettigrew.

Polls in Daly City will be open to voters between the hours of 6 a. m. and 7 p. m. at nine consolidated voting precincts in the city.

Appoint McGovern Chairman For Dentists

In a move to mobilize the dentists of San Mateo county, for duty in the Ninth Army Corps Area during an emergency, Dr. J. C. McGovern, dentist in the Daly City Medical-Dental center and local draft board chairman, was appointed as chairman of the Procurement and Assignment service of San Mateo county.

Created by President Roosevelt at the suggestion of Paul V. McNutt, national director of the Office of Defense, Health, and Welfare Services, the Procurement and Assignment Service will be directed by the Office for Emergency Management.

Dr. McGovern's appointment to serve as the head of San Mateo county's organization was made by Dr. John W. Leggett, state (Continued on Page 3)

Construct New Board For Center

Construction on the control board for the Civilian Defense Council's revamped center is nearing completion, and the council expects to set up the board in the city hall this week, according to Arthur J. Bodien, chairman of the defense council.

R. L. Crane jr., first aid chairman, who first proposed the new control center for Daly City after seeing it in operation at an army-supervised school for civilian defense, has charge of the construction of the control board.

With two outgoing and two incoming special telephones to be set up with the control board and a map of the city, the control center will be established in the basement of the city hall. Telephones and the map will be located in the office of the city building inspector, and the control board and control table will be in the adjoining room. Seated in that room with the control board will be the heads of all the (Continued on Page 5)

"A Raw Deal" For Butch, A Dog

This is Butch. He held a big place in the hearts of the J. M. Conlon family at 462 Templeton avenue. He was a treasured, gay little fox terrier and he was already doing his bit in the civilian

defense program. He was enrolled in the class for trained dogs, Page street, San Francisco, where he was learning to carry out orders during disasters.

Butch was fond of life, all right, but Butch is dead—because some Daly City resident is a coward. Any dog-lover sees "red" when he hears that an individual has been low enough to use strychnine. But this case concerns ALL residents in the neighborhood of Butch's home. Children are just as apt to get hold of meat injected with the deadly capsules as animals. If that happens it will be a case of murder. Saturday a second dog in the same block died in the same way. THIS HAS GONE FAR ENOUGH!

We have a police department and it is the proper place for complaints against neighborhood pets. Citizens have no right to take the law into their own hands and poison a dog.

We don't like to think that a person added enough in mind to deliberately subject a dog to a tortured, inhumane death is a broad in Daly City. Since all evidence points to the existence of such a person, it's high time we found out who he is and put a stop to his malicious brand of evil.

Eight Local Men Among 'First In Line'

The "fish bowl" drawing in Washington, which determined order numbers of the registrants in America's third selective registration, found eight Daly City and Colma men among the first twenty in the area of Draft Board No. 103.

Dr. J. C. McGovern, local draft board chairman, announced, Tuesday, that official order numbers from Washington had not yet been received by the local draft office, but they are expected to be here by tomorrow so that the local office can begin the task of assigning correct order numbers to the registrants' names.

Stanley Crane, Colma, who formerly operated the ambulance for the Junipero Serra hospital and a local service station, drew the first number in the Draft Board No. 103 area in the drawing for potential selectee-soldiers.

Other local men whose names appeared at the head of the list were the following: Benton A. Allred, 129 Shakespeare street; Frederick Armand Hooper, 45 Rice street; Flournoy Harwell Roberts, 322 Westlake avenue; August Charles Benassini, 99 Cavour street; Jacob Bosco, 175 Winchester street; Eugene Wesley Norton, 155 Winchester street; and Francisco Solari, Colma.

Students To Have Easter Vacation

Students in Daly City schools are looking forward to their Easter vacation which will begin at the end of classes, tomorrow, in the public schools and will continue until Monday, April 6.

Both the Jefferson Union high school and the Jefferson elementary school district will close for the ten-day vacation.

Our Lady of Perpetual Help school will observe an Easter vacation beginning with Thursday, April 2. The school will resume session, Wednesday, April 8.

ABOUT TOWN - - -

Mrs. L. G. Reilly, Daly City, reported to the Twenty-sixth district, American Legion auxiliary at their meeting in South S a n Francisco, recently, that Girls' State would probably be held as usual at Sacramento this year. Mrs. Reilly is president of the district group. She announces that the next district meeting will be held in Burlingame Legion hall, May 8. Legion members will be guests that evening.

Mr. and Mrs. Anthony Schulba, 6026 Mission street, have announced that the marriage of their daughter, Miss Eva Helen Schulba, to Joseph G. Arroyos will take place, Sunday, April 5, at Our Lady of Perpetual Help church. In the evening, following the afternoon wedding, a reception will be held at 7 p. m. at Wolff's hall, San Francisco.

Mrs. Emma Theurer, Paterson, New Jersey, is the house guest of her son and daughter-in-law, Mr. and Mrs. William Theurer, 315 Wellington avenue.

Loren A. Macaire, Daly City, and Eloine A. Lowe, Lomita Park, were issued a marriage license in San Mateo county, last week.

Mr. and Mrs. Giabotti B. Delfino, Railroad and Ninety-first avenues, Colma, are the proud parents of a son born, March 6, in San Francisco.

Mr. and Mrs. Cecil Taylor jr., 254 Franklin street, are being congratulated upon the birth of a daughter, March 13, in San Francisco.

In line with the expansion of the San Mateo County Red Cross chapter's home service program to meet increasing needs, Mrs. Barney Bristow, county chairman, has announced the appointment of Mrs. Horace Fellows as home service chairman for Daly City. Mrs. Fellows attended the meeting at which Mrs. Bristow outlined objectives of all branches of home service given by the Red Cross to United States armed forces and to civilians in time of war.

Calmet Council No. 66, Degree of Pocahontas, entertained twelve registered Navy nurses with a farewell party at their last meeting at Swedish American hall, Fourteenth and Mission streets. Two Daly City clubwomen, Mrs. Louise Jensen and Mrs. Olive Cheek, served on the committee which arranged the program of entertainment for the evening. Refreshments were served and members of Calmet donated prizes for farewell gifts for the nurses.

Mr. and Mrs. Alex Bystrom, 161 Peoria street, entertained at a farewell party, this week, for their son, Manly Bystrom, who leaves soon for Santa Ana to enter the flying corps. More than fifty guests attended the party. The air corps motif was used in decorating the huge cake which highlighted the serving of refreshments. Corsages were presented to the ladies in attendance.

Santa Didn't Get It

Less than one-third of the money saved by individuals during 1940 under Christmas club plans operated by banks was actually used for Christmas purchases, a report by Christmas Club, Inc., shows. Most of the \$365,000,000 saved by 7,500,000 club members went into permanent savings, payment of bills, taxes, insurance premiums, educational, travel and charity contributions.

NOW PLAYING AT DALY CITY THEATRE

ROMANTIC INTERLUDE — Bob Hope and Vera Zorina have time for a little romance in the fast and furious fun of "Louisiana Purchase," the Paramount Technicolor screen extravaganza based on the Broadway smash musical, which breezes into the Daly City theatre, beginning tonight, co-starring Victor Moore.

Technicolor Hit

Bringing together the formidable starring combination of Bob Hope, Vera Zorina and Victor Moore, Paramount's Technicolor production of the Broadway smash comedy musical, "Louisiana Purchase," comes tonight to the screen of the Daly City theatre, with all the fanfare that

rightfully accompanies a film of this importance.

As a long-run stage show it dazzled audiences on Broadway and all over this country with its spectacle of beauty on parade, its music imbued with the genius of Irving Berlin and its hilarious story of political naughtiness in New Orleans.

Name Robert McCune To Be Cadet Corporal

New Cadet officers from the ranks of class 42-F, the third class of student pilots to receive their basic flight training at Enid Army Flying school, Oklahoma, were appointed this week by Lieutenant George M. Frame, plans and training officer.

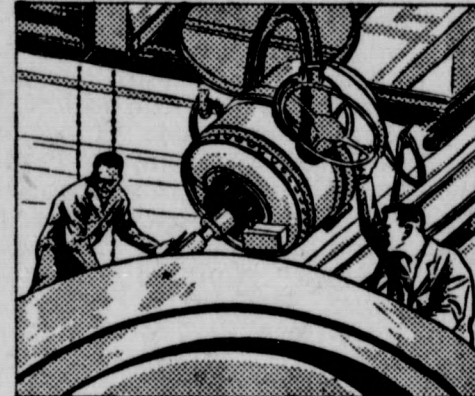

The appointment included the naming of Robert N. McCune, 82 Peoria street, Daly City, to be cadet corporal.

Class 42-F has entered the second phase of its basic training program, assuming the leadership of the cadet corps as the new upper class.

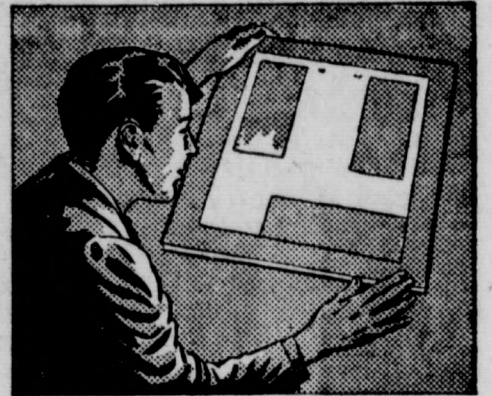

Within another four weeks this class will be graduated and its members sent to advanced training schools of the Gulf Coast Air Corps Training center for their final weeks of instruction before receiving their commissions and "wings" as pilots of the U. S. Army Air force.

Steel-Piercing Eye

Steel used in vital parts for war machines—planes, tanks, ships, guns—must be flawless, because America's fighting men must have weapons that are both accurate and tough.

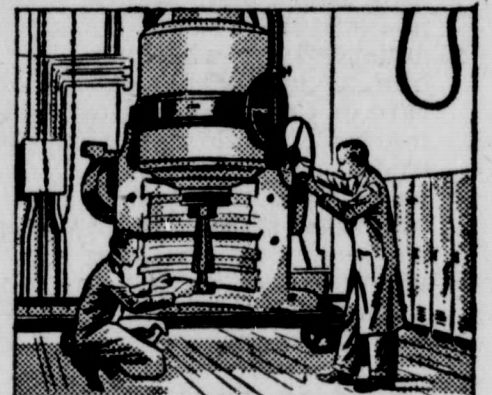

1. The new million volt X ray built by General Electric saves precious hours in finding flaws. It is so powerful that its rays can pierce thick steel castings.

2. Defects in the steel show up on X-ray film. Therefore faulty materials are tossed aside before costly hours of machining have been spent on them.

3. A regular check-up on pieces of X-ray film worn on workers' wrists helps guard against prolonged exposure to the rays given off by the X-ray tube.

4. X-ray exposure needed for 5-inch-thick steel is now 2 minutes instead of previous 3 1/2 hours! Whole days are saved in examination of even thicker castings.

General Electric believes that its first duty as a good citizen is to be a good soldier.

PTA NEWS

Woodrow Names New Officers

At the regular meeting of Woodrow Wilson P. T. A., Tuesday, March 17, the following new officers were nominated for the coming term: Mrs. Hazel Keagle, president; Mrs. Ida Hanley, vice-president; Mrs. Lillian Thomey, recording secretary; Mrs. Emma Sorg, treasurer; Mrs. Hilda Heagney, financial secretary; Mrs. Ethel Hesselein, corresponding secretary; Mrs. Betty Tunstall, historian; Mrs. Florence Hopman, auditor; Mrs. Catherine Foreman, parliamentarian. It was one of the largest meetings held this year.

Following the nomination of officers, the members were entertained with four musical selections by the glee club. Refreshments were served.

The ladies again reminded the public of their luncheon whist, this afternoon, at the home of Mrs. Emilie MonSanto, 278 Los Banos avenue.

Luncheon will be served from 12 to 1 p. m. Card playing will follow. The ladies announce a prize will be given for each table.

The new officers will be installed at the unit's next regular meeting, Tuesday, April 21, at the school.

Bayshore Nominates Officers For New Term

Mrs. Mildred Grimes was nominated president of Bayshore P. T. A., for the coming term. Others nominated to assist Mrs. Grimes, at the unit's last meeting, Friday, March 13, were: Mrs. L. Vickers, vice-president; Mrs. I. Wade, secretary; Mrs. K. Hiatt, treasurer; Mrs. S. Wagoner, financial secretary; Mrs. E. Ford, historian; Mrs. B. Bethune, auditor.

Installation of officers will be held Friday, April 10, at 1:30 p. m. in the school auditorium.

The members of the unit recently escorted the school children of Bayshore to the opera, "Hansel and Gretel."

A Siam dinner is being held by the P. T. A., this evening. Reverend Hugh Taylor will be the cook. All proceeds will go into the treasury.

MRS. CLIFTON REPRESENTS PERSHING AT DISTRICT

Mrs. Nora Clifton, president of General Pershing P. T. A., attended the district meeting, last Thursday, in Redwood City. Delegate to attend from the local unit was Mrs. S. Nordgren.

All cafeteria workers were honored guests at a luncheon, yesterday. Hostess at the affair was Mrs. Clifton.

Following the luncheon the group held their monthly executive board meeting.

Plans were completed, at the meeting, for the unit's annual Easter party for the school children. The affair will be held tomorrow. Mrs. Sadler is chairman, and the entire executive board will assist.

Legion Auxiliary Postpones Whist Party

The public have been asked to note the change in the regular monthly whist game of Daly City Unit No. 410, American Legion auxiliary. The whist will be postponed one week due to Good Friday.

The game will be scheduled for Friday afternoon, April 10, at 2 p. m. The public is invited.

Regular meeting of the local unit will be held Wednesday evening at 7:15 p. m. in Legion hall. All members are urged to attend.

Mothers Club Invites Public To Whist Party

Whist players have been cordially invited to attend the monthly game of the Mothers Club of Our Lady of Perpetual Help school, tomorrow afternoon at 2 p. m. Playing will be held at Eagles hall.

In charge of the whist will be Mrs. Mary Musante and Mrs. Nannie Morris. The ladies announce a cash prize will be given, along with many other lovely awards. Proceeds are to go to the treasury.

Mrs. Elsie Thomson, president, and other members of the club, expressed their thanks to all the ladies who participated in the wiener roast, last Thursday, at the school. Mrs. Thomson announces it was a huge success.

Court St. Mary Holds Initiation

Court St. Mary, No. 1155, C. D. A., held their first initiation of the new year, last Thursday. The ceremony took place in the Blue room of Masonic temple.

Newly-appointed chaplain, Father Adrian McKenna, gave a talk regarding the ideals of Catholic Daughters.

Over a hundred members of various courts joined in wishing Court St. Mary the best of luck in their initiation ceremony.

At the close of the meeting, delicious refreshments were served under the chairmanship of Mrs. Ann Vargas.

It has been announced by the ladies of the local court that their regular monthly whist has been postponed until Thursday, April 16. Reason for the change is that the regular whist falls on Holy Thursday.

Native Daughters Hold Joint Visit

El Carmelo Parlor No. 181, Native Daughters of the Golden West, and San Bruno Parlor, N. D. G. W., held a joint official visit, last Wednesday, at Masonic temple.

Honored guest at the affair was Grand President Miss Clarice Cook, Stockton. Miss Cook was presented with a gift of silver from the two parlors.

Others to receive gifts were: Mrs. Stella Zanetti, deputy grand president to El Carmelo parlor; Miss E. McPherson, deputy grand president to San Bruno parlor; and Mrs. Eleanor Ryan, supervising deputy.

Grand and past grand officers were all presented with attractively potted ivy plants.

The hall and banquet rooms were beautifully decorated with

Honey Apple Dumplings take NO sugar

• Here's good news! Whenever you're short of sugar, serve these Honey Apple Dumplings. They're EXTRA-delicious and the honey adds a new flavor to tart apples. Honey in the mellow-rich sauce bakes into a beautiful glaze over flaky crisp crust.

To get every bit of this grand honey flavor you need a delicate pastry. That's why it is important to use a purer all-vegetable shortening like Spry, the flavor-saver.

Honey Apple Dumplings

2 cups sifted flour	1 tablespoon butter
1 1/2 teaspoons baking powder	6 tablespoons honey
1/2 teaspoon salt	1 tablespoon lemon juice
1/2 cup Spry	1/2 teaspoon salt
1/2 cup milk (about)	
5 medium apples, cored and pared	

Sift flour with baking powder and salt. Cut in Spry fine. Add milk mixing until soft dough is formed. Roll dough into rectangle, 12 x 18 inches. Cut into 6 squares.

Place an apple in each square. Fill centers with combined butter, honey, lemon juice and salt. Moisten edges of dough with cold water. Bring up four corners of dough to top of apple and press edges firmly together.

Place in 10x10x2-inch Sprycoated pan. For variation, place several dumplings upside down and prick tops. Serve with or without cream.

Sauce

1/2 cup honey	2 tablespoons butter
1 1/2 cups water	2 tablespoons Spry
	1/2 teaspoon salt

Boil honey, water, butter, Spry and salt together 5 minutes. Pour over apple dumplings and bake in hot oven (400°F.) 30 to 35 minutes.

fruit blossoms; theme of the evening was springtime. Delicious refreshments were served under the co-chairmanship of Mrs. Dorothy Donofrio, El Carmelo; and Miss Eleanor Faley, San Bruno.

Officers of both parlors were complimented for their splendid rendition of the ritualistic work.

Members of the local parlor recently celebrated their thirty-second anniversary at a downtown restaurant. Mrs. Hazel McDermid was chairlady.

Mr. and Mrs. Galliani Are Parents Of Son

Mr. and Mrs. Lewis F. Galliani, 1918 Fifteenth street, San Francisco, are the proud parents of a boy born, March 15, in St. Francis hospital.

Mrs. Galliani is the former Miss Jean Faulk, Daly City, and a graduate of Jefferson Union high school.

Grandparents of the child are Mr. and Mrs. L. F. Galliani, 170 Victoria street, and Mr. and Mrs. Louis Johnson, 179 Winchester street.

Mother and baby, Lewis F. Galliani III, returned home, yesterday, and are now at home to friends.

Soap Carving Contest Winners Announced

The first annual soap carving contest, sponsored by the Daly City Girl Scout committee, was recently held for local girl scouts. Troops No. 1 and No. 4 participated with approximately 25 pieces entered.

The winning carvings are now on display in Warshawski's dry goods store window.

Awards were given as follows: Madelyn Mejia, community first prize; Esther Hukar, community honorable mention; Theresa Mabon, first prize, Troop No. 1; Alice D'Isep, honorable mention, Troop No. 1; June Lemon, first prize, Troop No. 4; Janet Petersen, honorable mention, Troop No. 4. Grace Moore Concert Set For March 29

Grace Moore, prima donna of the Metropolitan and one of Hollywood's most popular stars of the screen, will come to San Francisco for the first concert of her own in several seasons, Sunday afternoon, March 29, under the management of the San Francisco Opera association.

It was a little more than a decade ago that Miss Moore emerged from the obscurity of a Southern home and became a figure on Broadway.

Miss Moore's career is a testimonial to the value of courage. Twice she had auditions at the Metropolitan, a year apart, and each time was turned down. It was then that she decided to give up operetta and go abroad for serious study. The next time she appeared at the Met for an audition she was accepted and she has been one of that company's leading sopranos ever since.

Tickets for her concert are on sale at Sherman Clay box office, EXbrook 8585.

COOK WITH
A MODERN

GAS RANGE!

Saving food money is important to every housewife. One way to save this money is to get the greatest food value out of the food when it is cooked.

You hear much about vitamins and health protective elements in food and how these health essentials can be retained in food by proper cooking.

With a modern gas range, by means of accurate heat regulation, the waterless cooking of vegetables and low temperature roasting of meats are most efficiently accomplished.

Be prepared for war time cooking economy in your kitchen. You can still find a choice of models available. If your home needs a modern gas range, better not wait.

Telephone Co. Aids War Effort

The war and its demand a n d effect upon telephone operations was the dominant keynote of the annual report of the Pacific Telephone and Telegraph company for 1941, recently issued by N. R. Powley, president, who stated that "The expanding program and accelerated tempo of National Defense throughout 1941 made for an unprecedented activity and a multitude of problems in every phase of our company's operations."

Copies of the annual report were being distributed here today to employees of the telephone company as an informative and valuable textbook on the company's operations, according to Lyle M. Brown, manager of the San Francisco exchange.

In reporting his company's operations, President Powley emphasized that "every possible step has been taken to anticipate, and to provide for, the telephone requirements of the Army a n d Navy, as well as other branches of our Government."

Citing how employees responded to their tradition of rising "to the height of any emergency," Powley also declared that "The tragic events of December 7, 1941, projecting our Nation into war, were a challenge accepted by every employee of our company. It is traditional in our business that our people always rise to the height of any emergency. Telephone men and women have been tested, time and again, on occasions of fire, flood, earthquake and other disaster. With the first flash of the news of hostilities, and without bidding, hundreds of telephone men and women who were off duty, reported to their posts. The response of our entire organization was immediate. That spirit and will-to-do which are of such vital importance in these emergency times were given full expression by an organization trained in the rendition, maintenance and safeguarding of a service upon which our country, arming itself under an accelerated

Civilian Defense Council divisions.

Meanwhile, Arthur H. Quirnbach, chief air raid warden, is making initial plans for the organization of 24-hour service to the community for air raid wardens through the use of a day shift. Quirnbach found in a survey of the wardens' regular jobs, that a number of the men a r e working night shifts and are free in the daytime. Aside from utilizing the daytime services of these wardens, Quirnbach plans the organization of a unit of lady wardens for daytime duty from the civilian defense records of local women who volunteered.

Moe Plansky, senior air r a i d warden over precinct 14, is in charge of the organization of the daytime wardens.

Housing Experiment

Newark has embarked on an experiment in education which will be watched by school authorities and municipal officials throughout the county. The board of education is building a public school to be an integral part of Seth Boyden court, United States housing authority public housing development.

war program, depends so vitally for rapid and efficient communication. At the forefront is that 'Spirit of Service' which has been demonstrated so admirably by thousands of telephone men and women who, in fair or stormy weather, have taken 'the message through.'

"With the high resolve of our men and women to overcome many pressing problems arising from the stringent requirements of the national emergency, and with its long record of rendering an efficient and dependable telephone service, our company can be counted on to serve effectively and creditably our Government and the public," he said.

The conditions of the war production requirements for strategic materials, which have drastically cut down the use of important metals of the telephone plant despite remarkable substitutions by the Bell System research organization, were noted in the report which emphasized that it had become increasingly difficult to provide for a telephone demand unparalleled in the history of the business. Notwithstanding these conditions beyond its control, the company "will continue to put forth every effort to render the best possible service," it was stated.

nastics, and asked that, if those who formerly took the class wished to resume it, they could do so by contacting the WPA Recreation office.

The third change in personnel was the addition of Mrs. Beatrice Wiltzie to the department. She will take charge of Lincoln park, at Acton and Brunswick streets. The park is open under WPA Recreation supervision between the hours of 10 a. m. and 5 p. m.

Mrs. Burton announced that leaders in the local department are joining other leaders in San Mateo county in enrolling in first aid classes. All Recreation leaders in the county are taking the standard first aid course instructed by Red Cross teachers. The majority of the leaders have already had instruction in first aid, Mrs. Burton said, but they are taking the courses to renew last year's cards which have expired.

Better get Service that

CONSERVES YOUR CAR!

Get Regular Service According to
Factory Standards to Make Sure Your
Car Lasts as Long as It Should

THESE days it isn't enough to get service from someone who "knows automobiles."

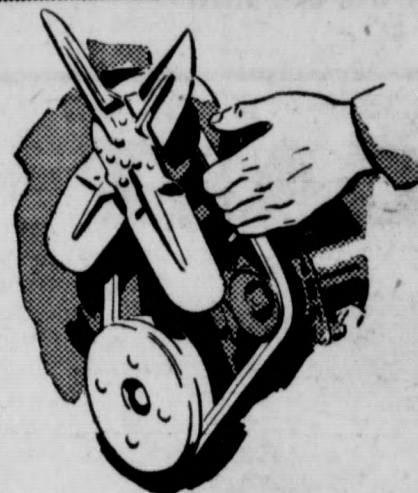

You need the help of someone who knows your automobile and its special needs.

For example: Maybe your Buick should have a new oil filter element. There are six definite steps to be followed if this is replaced by a standard equipment filter. *Five entirely different things must be watched if other equipment is used.*

Our service Conserves Your Car by knowing what to do and how to do it—and by doing it in time. Can you be sure of as much elsewhere?

Better not take chances. Attention by our authorized factory-trained mechanics costs no more than good work anywhere.

We make no charge for a check-up on your car by authorized factory-trained mechanics. Drop in for one soon, and let us explain C-Y-C Service in detail.

HAD YOUR SPRING COOLING CHECK-UP?

Engine efficiency, and with it gas and oil mileage, calls for a cooling system that functions properly in all seasons and all parts. Just flushing the radiator is only part of the job.

Now is also the time to drain out worn winter oil, refill with the proper spring and summer oils, give the chassis a spring lubrication, change transmission and differential lubricants.

BAND

The Indians of Rhythm are now busily engaged in preparing for the next evening dance, set for Friday, April 10.

Theme of the dance is "Defense Bonds." Admission is the price of one defense stamp.

Howard Miguel, music instructor, announces that several popular patriotic tunes, "Pearl Harbor," "Any Bonds, Today" and others will be featured on the musical program.

Work on the annual Water Pageant is well under way. The band will feature Hawaiian tunes in keeping with theme of the evening.

ASSEMBLIES

A crime-doesn't-pay picture was shown to the students, yesterday. Proceeds from admissions were contributed to the Blood Bank.

President Roy DeVincenzi announces another benefit program for the Blood Bank will be held tomorrow.

Oscar Busch, music instructor, and his chorus and orchestra will honor the student body with an Easter program this afternoon.

WATER PAGEANT

Plans were well on the way for the annual Water Pageant, scheduled for May, according to Miss Juanita Young and Miss Ella Redkey.

The pageant is being written and directed by Roy DeVincenzi. Miss Young and Miss Redkey are in charge of the swimming formations and general directors of the whole affair.

The following girls have been tentatively selected to act as models in the pageant: Josephine Bricker, Aileen Johnson, Alice Marable, "Dodo" Mardecich, Betty Roots, Carmel Robin, Mary Lou Becker, Jean Castignetto, Shirley Rice, Emilie Bertini and Gloria Baldwin.

The costume committee, headed by DeVincenzi, announces that plans for the costumes are being discussed. Two members who volunteered to assist in the work were Miss Bricker and Miss Roots.

SENIORS

Seniors had their pictures taken for the senior edition, last Thursday. Miss Marjorie Robinson also announced that senior records were given.

The gift committee announced their plan of presenting the school with four speakers' chairs. Last year's group left enough money to purchase two more.

Dates for the senior ball and graduation have been announced. The senior ball will come on Friday, June 5, and graduation will be Wednesday, June 17.

ITALIAN CLASS

A large number of Italian students enjoyed the opera "Rigoletto," Friday evening.

The group was sponsored by William Feole, Italian instructor. C. S. F.

Due to the war and various other things beyond control, the annual C. S. F. convention was cancelled.

High School PTA To Name Officers

Mrs. Henry Seiler was chosen to head the nominating committee as chairman, at the meeting of Jefferson Union High school P. T. A., last Wednesday. Mrs. Walter Lehigh, president, called the meeting to order in the little theatre.

Term reports from the various chairmen were received and forwarded to the district.

Mrs. Seiler announces the first meeting of the nominating committee will be held Wednesday, April 8, at 10 a. m. Mrs. R. L. Crane jr. will be hostess. Officers for the years 1942 and 1943 will be selected.

Arthur Quirnbach, faculty member, gave a short talk on the Blood Bank, which is to be established for San Mateo county.

At the close of the meeting the members were entertained by the students of the school. The program consisted of two musical selections, followed by a novel stage show in shadows and colors.

Next board meeting will be held in the cafeteria, Wednesday, April 1, at 1:30 p. m.

Sports

TENNIS

All tennis players, attention! Did you know that classes were being held after school? Well, they are, and all those interested in this sport should see the faculty advisors, Miss Martha Springer or Walter Griffith.

The sponsors announce that the classes are open to both boys and girls. The activity is for fun only and no points are given.

AUCTION

Jefferson's first auction in years was held in the lunch room, Thursday and Friday. Articles for auction were bits of clothing, pencils, books, pens and what-have-you that students have lost during the past several years and haven't claimed.

Proceeds from the auction went to pay for the girls' new sports awards.

At The District Grammar Schools

At Crocker

In connection with their study unit on "Pioneer Life," the pupils of Room 2 were shown a moving picture called "Colonial Children."

United States Forest Officer John Sweeley addressed the Crocker school students in a recent talk on the method and importance of forestry conservation.

Richard Vaughn, high eighth pupil, has been unable to attend school for several weeks because of a serious illness.

At Jefferson

A touch of spring in the air and the old theory of "All work and no play makes Jack a dull boy" resulted in a recent hike and wiener roast at Thornton beach for sixth, seventh, and eighth grade students. The hike started after school, and the group enjoyed two hours at the beach.

Prize winners in the low and high seventh grades were announced for the annual Easter Egg Decorating Contest at Jefferson school. Prizes in the girls' division were won by: Cecelia Accinelli, first; Rose Brandi, second; and Helen Sarantitis, third. In the boys' division, prizes were won by: Angelo Craviotto, first; Eugene Lazari, second; and Robert Belli, third.

John Sweeley, government forest officer, gave an illustrated lecture to the sixth, seventh, and eighth grade classes during the observance of Conservation Week.

Fifth grade students presented a playlet in their classroom for Conservation Week. Characters in the playlet were as follows: Jean Puccinelli and Mary Puricelli, woodsmen; June Wilmoth, traveler; Marlis Eberle, fire; Louis Merlo, wind; and Alfred Owens, John Olcese, Gordon deLeon, Elmer Fobian, and Joseph Arrighi, trees. A Penny Pine drive was held during the week throughout the school.

New arrivals at Jefferson school include Noel and Betty Jean Quinn, from Hawaii, fourth grade; and Carol Smith, from Redwood City, third grade.

The fourth grade social studies class is studying Mexico, and is learning many interesting things about the country.

At Woodrow

Woodrow Wilson school celebrated the thirtieth anniversary of the Girl Scouts organization, last week, in an outdoor program which was sponsored by the scout troops of the school. The program included talks, songs, and an original first aid play.

called "Nancy, the Fortunate One." The play was written by Shirley Chester. Yvonne Hulme was mistress of ceremonies, while Eloise Harrison and Marilyn Mossman gave talks on the Girl Scout movement. Scouts who participated were: Grace Mathew, Charlotte Taylor, Betty Vallentino, Claude Unselt, Lois Rentsch, Pamela Pulley, June Lemon, Mary Pedersen, Judy Jespersen, Harriet Voelker, Lorelei Gamba, Dorothy Parker, Jacqueline De Losa, Louise Mjehovich, Karen Melborne, Virginia Marsh, Conella Maravellais, Joan Hopman, Alice D'Isep, Ina Mae Sadler, Wilma Cassassa, Madalyn Nejia, and Mary Castalan.

Brownies who participated are as follows: Marjean Rosenbaum, Joan Vittori, Barbara Newman, Joan Leipin, and Barbara Marsh.

Seventh and eighth grade pupils in all schools in the district have been making "Serve in Silence" posters in the art classes. Exchange exhibits in the eighth grade art classes were made by the schools.

Room 8 pupils at Woodrow have had the Thrift Banner for the best savings record for the past several weeks.

Much designing talent has been shown at Woodrow school in making of model airplanes. Following are students whose model planes were displayed in classrooms: Andre Laumond, Billy Bernzott, Richard Gamba, Hazel King, Robert Moran, Robert Huntington, Norman Rosenbaum, Leroy Greenwood, and David Fischer.

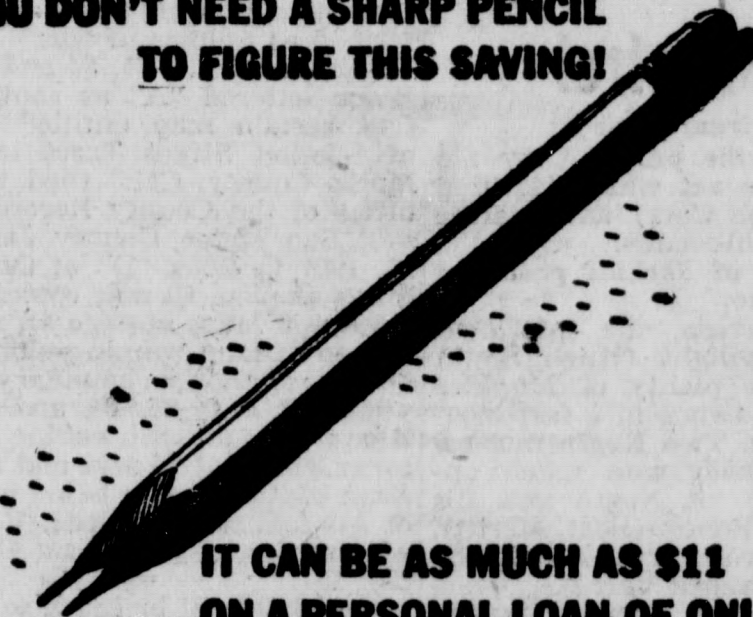

Room 4 recently won the Victory Banner for the first time, having been the class which purchased the largest number of defense stamps.

An interesting film lecture was presented to Woodrow students by John Sweeley, government forestry officer, concerning the value of forest conservation.

A Letter From
Henry Sundermann

To the People of Daly City:

Although repeatedly urged to again become a candidate for the office of city councilman, I find that the pressure of business, combined with my recent illness, precludes that possibility. However, in withdrawing from office

SUNDERMANN

ial life I feel it imperative to express to you my appreciation of your great kindness and confidence in me in the past and to again impress upon you that at all times during my official tenure I constantly strived to be a true representative of the people in the handling of city affairs. Although there is a certain fascination in the fact of holding public office, still as the years pass, my greatest compensation has been in the consciousness of having done the job to the best of my ability.

Although I am not running again, still after thirty-eight years residence in the community, I will have a natural and continuing interest in the affairs of the city. I have sincerely enjoyed being in your employ, as it were, for these many years and extend to you and to my successor, whoever he may be, my best wishes and whenever possible, hearty cooperation.

Yours very truly,
(Signed) Henry Sundermann

dialogue in the program was a found in the act which featured Mammy (Joe Carr) and Pieface (Dr. Bill Lantheaume), while the whole gang of darkies produced laughs galore.

Dr. McGovern, the interlocutor, and Twilight (Hugh Smith jr.) brought plenty of laughter from the audience in a fast-moving dialogue. Two Negro musical numbers which won much applause were "A Negro and His Banjo" by Bones (Bert Meritt), and a Negro spiritual sung by Moses (Lawrence Varni).

Two dancing numbers which added zest to the program were a tap dance routine by Betty Duffy and Diane Hovey, and an acrobatic dancing act by Miss Esther Hanel. Bob Meritt rendered a repertoire of instrumental music with his accordion.

Other blackfaced comedians in the darky chorus were Tambo, Bill Sweeney; Butter Ball, Elton McGraw; Pancake, Butler Ferrier; and Spareribs, Jim Schultz.

The show closed with the community singing of "God Bless America."

The play was directed by President Hovey. Mrs. Bill Sweeney and Mrs. R. C. MacArthur were in charge of the make-up.

Torpedoes by Mouth

On some German destroyers, torpedoes are fired with the mouth, asserts Collier's. With his eyes at the range finder and his hands on the tube-aiming controls, the gunner merely has to blow into a "peashooter" to activate the trigger.

Lions Announce
Whist Party

Plans for Daly City-Colma Lions club's first whist game, since their organization, were well under way this week. The members announce it is to be a gala benefit affair with all proceeds going to under-privileged children.

Bert Meritt has been elected chairman, and will be assisted by Elton McGraw, Bob Fessenden, Butler Ferrier, Hugh Smith Jr., and Dale Hovey.

A door prize in Defense stamps and a cash first award are but a few of the many valuable prizes to be awarded.

Tickets are now on sale and can be purchased from any member of the committee or other Lion members. "You don't have to be present to win the door prize," it was announced by Meritt.

The public is cordially invited to attend the game which is scheduled for Monday evening, April 20, at 8 p. m., at Eagles hall.

Uses Cheaper Coal

An automatic household-furnace stoker using the cheaper grades of hard coal, which, with thermostatic control, can be ignored for months at a time, has been invented by E. T. Selig and tested by the Mellon Institute. Given an adequate coal bin and an ash-storage pit four feet deep, it was necessary to replenish the coal only once in four months, have the ashes removed three times a year. A 38-year-old boiler furnace was used for the test.

C. J. Pettigrew

To The Voters Of Daly City:

The principle of democracy is that the whole people share in the development and determination of public policies and programs, each to the extent of his or her ability; and that the purpose of government is to promote the general possible well-being of all the people. I believe that democracy is the best possible form of government.

The principle can be very quickly stated, but the wise and skillful practice of democracy can be developed only by patient effort. When the first gasoline automobile was built, a new and fundamental principle was introduced. If the people had claimed it was a divine revelation, and that anyone who should change it would be guilty of a crime, then we might still be chugging along in a two cylinder machine at fifteen miles an hour. The fundamental principle was right, but a vast amount of research and experiment has been necessary to produce the automobile of today.

The inefficiency, corruption, and social injustice of government are due, not to the principle of democracy, but to the fact that we have thought of the practical methods of government as a divine revelation which must not be tampered with, rather than as matters of practical trial and experiment, to be constantly developed and adapted to the times.

Volunteered and served my country in 1917. Let me serve all the people of Daly City now.
(Signed) C. J. Pettigrew.

A. J. Gaggero

To Daly City Voters:

It is with a sense of sincere appreciation that I wish to acknowledge the endorsement of my candidacy for the office of City Councilman by the Daly City Better Government club.

It is gratifying indeed to know that an organization such as the Daly City Better Government club, which is representative of every section of our city, of labor and business, chooses one to carry forth its high ideals of city government and its broad principles for civic betterment and improvement.

I wish to thank the officers and members of the Daly City Better Government club for their endorsement and to them and to all the people of Daly City, I pledge myself, if elected to the office which I seek, to discharge the duties of that office with the same dignity and efficiency as though it were my own enterprise.

Respectfully yours,
(Signed) A. J. Gaggero

Paul G. Selmi

To Daly City Voters:

Who is to be elected and who is not to be elected is the problem confronting the electorate of our city on April 14, 1942. Your answer to this question will come to you after considering the qualifications of the several candidates.

Qualifications are varied generally and specific in some cases. Mine are specific and are my record of accomplishments as councilman and mayor over a period of nine years. The acquisition of a much needed city hall, extension of our library, playground site in the Crocker tract district, development of the Vista Grande recreation site, extension of the water system and fire alarm system in the Colma district, and the modernization of our water pumping plant, which cut cost of operation by approximately \$5,000 per year, are among the improvements that I have initiated and put into effect during my terms in office. It is my belief that the voters of Daly City realize that they have been benefited by these improvements and shall show their appreciation by re-electing me again to office of councilman at the coming election.

(Signed) Paul G. Selmi

Foreign Countries Purchase

During the six-month period following the outbreak of hostilities in Europe, foreign countries purchased \$127,000,000 worth of American chemical products, a 60 per cent increase over the corresponding period a year ago, reports Industrial and Engineering Chemistry.

WHAT THE CANDIDATES ARE SAYING

The Daly City Record, this week presents the second of a series of articles written by the candidates themselves. The Record, believing in an open-door policy, has invited all candidates to participate in this program without charge.

Julius Twesten

To the Voters of Daly City:

It has been said that cities don't just grow, but men build them. It has taken a great deal of thought and sincere interest on the part of officials, civic leaders, and citizens to bring Daly City to its present state of advancement, whereby we now enjoy among other facilities, wide police protection, complete and modern fire protection, low water rates, a fine up-to-date library, free garbage collection, good streets, a modern and humane pound, and defense and disaster preparedness comparing favorably with that of our neighbor communities.

For the past twelve years, I have served to the very best of my ability on the Board of Councilmen, to which goes, I believe, much of the credit for Daly City's progress. My experience as a citizen and a business man in Daly City for twenty-one years have enabled me to apply reliable, practical judgment to many of the problems which have come up during my terms, and I have striven to lend honest cooperation to all worthy enterprises.

If re-elected as a member of the Board of Councilmen, I can assure you that I will take my responsibilities just as seriously as I have during the past, ever mindful that you as citizens and taxpayers will look for ever more efficient, experienced, and progressive government in these days of stress and in the uncertain days to come.

Sincerely,
(Signed) Julius Twesten.

Remi Sanders

To Daly City Residents:

My name is not a new one to the voters of Daly City. For the past 12 years you have accorded me the honor of serving on the Jefferson Union high school board of trustees, and for several years I have served as chairman of that board. I have enjoyed this experience. You who live here in Daly City and visitors who come here agree that we have one of the finest high schools in this great country.

One reason why Jefferson Union high school has repeatedly received such high praise for its accomplishments is because harmony, cooperation, and sincere progressive effort have always been the policies pursued by the board of trustees. It is these same policies, which have demonstrated proven results, that I will practice if I am elected city councilman.

By way of a bit of background about myself, I am engaged in the manufacturing of athletic clothing. I am a Daly City taxpayer and home owner at 351 San Diego avenue. My wife and I have always been active in local civic, fraternal, and social affairs. I am the father of two daughters—one attending State Teachers college, San Francisco; the other attending Woodrow Wilson school here.

With such watch words as "progress," "cooperation," "harmony," I solicit the support of Daly City voters on April 14.

Yours sincerely,
(Signed:) Remi Sanders

Eugene V. Lynch

Ladies and Gentlemen of the Daly City Better Government Club:

Please accept my thanks for the endorsement of your organization.

Being endorsed by an organization composed of Daly City's progressive minded people gives me a feeling of confidence that the program, and ideas expressed for the advancement of our community are necessary for its development.

I appreciate the support the membership will give me and solicit the votes of all the people interested in our city's welfare.

If elected I will take the office with full knowledge of its responsibilities, and pledge myself to assist in administering its duties in a manner that will be beneficial to all.

Sincerely,
(Signed) Eugene V. Lynch.

H. H. Smith Jr.

Dear Friends:

Although it is customary for candidates to express their thanks at the conclusion of a campaign, I have been so deeply impressed by the whole-hearted support you have so generously accorded me, that I want to take this, my first opportunity, to publicly offer you my sincere thanks and appreciation.

The high endorsements given to me by so many of you, both individually and in organized groups, can mean only one thing—success at the polls.

To have received such a flood of kindly messages and to have gained such splendid support from you people, among whom I have lived all my life, is indeed both gratifying and inspiring to me.

I fully realize the importance of the position you are helping me to attain, and I pledge my very best efforts at all times to merit your expression of confidence in me. Thanks again for your most welcome support.

Very sincerely yours,
(Signed) Hugh Smith Jr.

J. F. Millett Jr.

To Daly City Residents:

There comes a time in the life of every man when he has a sincere desire to be of special service to the community in which he lives. That time has come in my life, and I contemplate with great enthusiasm the opportunity, if elected, to serve as a councilman of Daly City. I'm in this race to win and will strain every fair and upright effort to accomplish that objective.

Since I was born in Colma, of California pioneer parentage, went to local schools, and now live at 100 Citrus avenue with my family, I do not have to introduce myself to many Daly City residents. Yet, since I solicit the support and hope to have the opportunity of representing all the people of Daly City on the board of councilmen, I should like to state my qualifications and policies:

I am an engineer and building contractor. During the past ten years I have supervised several million dollars worth of home building and heavy construction projects including the new Jefferson Union high school gymnasium and swimming pool. I have been building inspector for San Mateo county. It has been my privilege to assume individual and collective responsibilities involving hundreds of thousands of dollars. All these undertakings, may I say modestly, have been successful.

If elected, I shall use my experience, my energies, and my abilities for the continued orderly growth and expansion of our community and the welfare of all its people.

(Signed) J. F. Millett jr.

FOR YOUNG MEN

Openings for young men between the ages of 18 and 23 years for enlistment in Class V-4, Naval Reserve, as Seamen. First Class, were announced, last week, by the Twelfth Naval district. Enlistment is for a period of four years.

Full information and application papers in this class may be obtained by writing Ensign S. E. McCaffrey, 717 Market street, San Francisco. This office will then call the applicant for interview and physical examination.

BLOOD BANK

(Continued from Page 1)

the Blood Bank, designed to store blood plasma amounting to enough blood for one thousand pints.

However, the county Blood Bank must begin its organization by procuring operating funds before any other moves can be made, and the general committee is sponsoring the drive for funds in all of San Mateo county.

Arthur H. Quirnbach, chief air raid warden in Daly City, has been named as local chairman of the campaign.

The county master committee has set a quota of \$1500 as Daly City's share of the \$15,000 to be collected in the entire county for the operation of the Blood Bank. The latter figure is the amount estimated by the county medical society that will be required for the operation of the Blood Bank for the remainder of the year.

In addition to the first donation in Daly City made by the Daly City-Colma Lions club, the Daly City Post 410, American Legion, and the Sons of the American Legion, Post 410, the local committee also received cash donations of \$77 from the teachers of Jefferson Union high school and \$5 from the Woodrow Wilson PTA.

Contributions for the Blood Bank are collected by the local committee appointed by Quirnbach, and the collections are turned over to Miss Irene Twesten in the office of the Daly City Water department, city hall.

Serving on Quirnbach's committee of collectors are the following people who will make a house to house canvass of the city: Oalus Gimle, 653 Hanover street; Eugene Norton, 155 Winchester street; Fred Brusch, 132 Irvington street; James Miller, 883 Hanover street; Mrs. W. A. J. Gaggero

Eugene V. Lynch

Hugh H. Smith Jr.

Under the able leadership of Thomas Tallon, president, the Daly City Better Government Club is rapidly growing in membership. The club today announced its unanimous support of A. J. Gaggero, Eugene V. Lynch, and Hugh Smith Jr. for places on the Daly City Council.

"There is no fee for membership," Tallon said today. "Anyone with a sincere desire for a better administration of the affairs of this city is welcome to join."

The club meets every Tuesday at 6309 Mission street, formerly the Cut Rate Market, at 8:30 p. m.

Composed of civic-minded citizens, the organization's main purpose is to secure a more efficient government for Daly City. Leaders of the movement recognize the seriousness of the emergency and state that more initiative and ability will be required than ever before in the management of the city's affairs. They point out that Gaggero lives in the southern part, Lynch in the central part, and Smith in the northern part of the city, and that their election to office will mean a closer contact between the city officials and the people. This will result in a greater community interest in the administration of the city's business and a better balanced government. Gaggero, Lynch, and Smith are highly qualified for the positions on the city council, leaders stated today, because of their successful business careers, and their sincere desire for better government.

Anyone wishing further information may contact Josephine McHugh, secretary, at 247 Oliver street, DELaware 7626.
